Best Practices in Wound Care Institute: Minding the Gap

It takes a team!

February 27 - March 4, 2011
Sheraton Fallsview, Niagara Falls, Ontario Canada

If the answer is yes...

Plan to attend the 2011 RNAO Wound Care Institute!

This week-long residential institute provides opportunities to learn about best practices in wound care through interactive dialogue with wound care experts, case studies, demonstrations and hands-on application labs.

From Toronto Airport:
• Follow signs to Hwy. 401 West.
• Follow signs to 427 South to QEW (Hamilton/Niagara bound).
• Follow QEW into Niagara Falls to McLeod Rd. exit.
• Turn left onto McLeod Rd.
• Continue on McLeod Rd. until you reach Stanley Ave.
• Turn left onto Stanley Ave. to Livingstone St.
• Turn right onto Livingstone St. to Fallsview Blvd.
• Turn left onto Fallsview Boulevard.
• The Sheraton Fallsview Hotel & Conference Centre is on your left hand side.

From QEW Hwy:
• Follow QEW into Niagara Falls to McLeod Rd. exit.
• Turn left onto McLeod Rd.
• Continue on McLeod Rd. until you reach Stanley Ave.
• Turn left onto Stanley Ave. to Livingstone St.
• Turn right onto Livingstone St. to Fallsview Blvd.
• Turn left onto Fallsview Boulevard.
• The Sheraton Fallsview Hotel & Conference Centre is on your left hand side.
Learning Objectives

Our Mission:
To reduce the physiological, psychological, and the fiscal burden of wounds throughout Ontario by building clinical and leadership capacity.

The Goals of the Institute are:
1. To enhance leadership in wound care BPG implementation and evaluation;
2. To review and clarify specific BPG recommendations through didactic, case, and skill-based labs:
   • Risk Assessment and Prevention of Pressure Ulcers
   • Assessment and Management of Stage I to IV Pressure Ulcers
   • Assessment and Management of Foot Ulcers for People with Diabetes
   • Prevention of Foot Complications in Persons with Diabetes
   • Assessment and Management of Venous Leg Ulcer
3. To provide mentorship regarding the development of business/program planning; research; policies; and surveillance in all sectors of health care in Ontario;
4. To build a foundation of innovation, allowing each individual participant to develop initial plans for future successful implementation of Best Practice Guidelines in their workplaces.

Overall Learner Outcomes:
Through the “Best Practices in Wound Care: Minding the Gap Institute,” the participants will:

Gain Knowledge of:
• Best practice guidelines pertaining to wound prevention and treatment;
• Program planning, evaluation and surveillance;
• Interprofessional team building;
• Leadership and collaborative practice;
• Knowledge transfer and changing nursing practice.

Be Able to:
• Identify, analyse and engage stakeholders within individual organizations relating to wound care;
• Decide on implementation strategies required to implement wound care best practices in your organization;
• Identify resources and supports required for successful BPG implementation.
