

# Mohawk College Student Information System

## Account Summary by Term

 This review summarizes all the charges and payments posted to your account by term. It includes charges related to your registration, and other miscellaneous items such as parking, emergency loans, deferrals and administrative charges. Payments included are those made by you and any applied from other sources such as financial aid or sponsors.

If your account balance is in a negative then this reflects a credit on your account, meaning you do not currently owe any monies to the College.

If your account balance is a positive, then this reflects the amount owing to Mohawk College.

To review your overall account balance, use 'Account Summary'.
