Creating Your Career Vision

Career Wish List

What have you always wanted to do?

If that doesn't get you started consider this: is somebody out there currently doing what you'd like to do yourself?

My Ideal Vision for My Career

In WORDS.

What does my ideal vision look like?

What am I doing and where?

What talents and attributes am I using and/or expressing?

What would I be doing next year at this time if I were to begin my vision story now?

In PICTURES.

What does your vision story look, feel, and sound like? Try to draw the vision or use pictures that represent that vision.
